

## F. J. NORTH PRICE LIST VERSION 4.5

All pricing includes IVA at the current rate, delivery to your home in the Algarve, professional assembly and, in relation to pool and snooker tables, levelling and marking. Please see each specific product in the Product Brochure for information about each FREE Accessory Pack.

### PRICING GUARANTEE

All our products are *GUARANTEED* to be the cheapest in the Algarve.

All pricing includes IVA, delivery and construction anywhere in the Algarve. There are no hidden extras that you might find with other suppliers. There are no complex pricing practices. The figure you see is the figure that you pay.

We are so confident that our prices are *ROCK BOTTOM* that if you can better our prices we want to know where you are getting them from.

Our guarantee to you is, if, at the point of ordering, you show us a lower written quote (on a like for like basis) from an alternative supplier based in the Algarve, we will match that quoted price and include a further 10% discount as our way of apologising.

We should warn you, however, you will have your work cut out to beat our prices!

### RECOMMENDED ROOM SIZES

Go on, get the tape measure out and see if you have the space. The table below, however, is not a precise tool. Each pool or snooker table model is slightly different in terms of playing surface measurements. Even if it appears that you do not have enough space, please contact us because it is possible to shave a little of the minimum room size by supplying shorter cues.

<u>Size of Table (External Parameters)</u>	<u>Playing Area</u>	<u>Minimum Room Size Using Mid-Size Cues (132cm)</u>
6ft - 188cm x 110cm	160cm x 82cm	424cm x 346cm
