

F. J. NORTH LDA.
SUPPLIERS OF SUPERIOR GAMES ROOM EQUIPMENT
BASED IN THE ALGARVE BUT SERVING PORTUGAL
AND THE SOUTH WEST CORNER OF SPAIN

Thank you for requesting the download of the F. J. North Brochure. We have been in the business of providing fantastic value and great service in the Algarve for over 30 years.

If you are considering having ANY piece of games room equipment imported from the UK from ANY UK Manufacturer, speak to us before placing your order since we are often able to beat the price given direct from UK suppliers to customers and give you the peace of mind having a local supplier for installation and warranty purposes.

We are the CHEAPEST in the Algarve. We offer a PRICING GUARANTEE on all our products. Please ask for more information.

If you are not sure about whether your lounge, dining room, games room, garage or basement is big enough to accommodate a Pool or Snooker Table, please ask for a copy of our ROOM SIZER.

We also RENT all items of games room equipment; be it an indoor or outdoor pool table, table tennis table, foosball table, garden trampoline, pinball table or arcade machine. We can rent equipment for a single day event or for an entire Summer Season.

For all items, sale or rental, if you have a villa manager or other third party based in the Algarve, we can arrange the delivery prior to your arrival and, for the rental equipment, collection after your departure.

Our policy is to provide you with the best quality product, service and experience possible.

That is our commitment to you.
