

POOL TABLES AND SNOOKER TABLES **INDOOR AND OUTDOOR**

We are the exclusive distributors for the three main pool table manufacturers in Europe and we usually carry a stock of around 25 slate bed pool tables in the Algarve at any one time. This means we can offer, in most instances, immediate delivery from stock.

We have bought pool tables from the same three manufacturers for pretty much 3 decades. This is because they offer the best combination of quality, value for money and range of cloth and table body colours.

If you are not sure about whether your lounge, dining room, games room, garage or basement is big enough to accommodate a Pool or Snooker Table, please ask for a copy of our ROOM SIZER.

DELIVERY AND ASSEMBLY

Ground floor /garden delivery and assembly across the Algarve is FREE OF CHARGE. In some instances, for those addresses beyond 30 minutes drive of Almancil, we may need to accumulate multiple deliveries to supply delivery at no cost.

TABLE ACCESSORIES, RELOCATIONS, RECLOTHS AND SERVICING

Someone lost the black ball or broken a cue during a game? Don't worry, we have replacement table accessories available for pick up. Please see the back page for pricing.

We are also happy to relocate an existing pool or snooker table to another room or another property and we offer an installation only service for snooker tables bought from elsewhere.

TOP QUALITY SERVICE AND LONGEVITY OF BUSINESS

You can rest assured that we will take care of you. We recognise the value of quality of service and will always endeavour to deliver on our promises.

We have been in business for over 40 years now and that says something about the people that we are. Please feel free to check out our online reviews.

The rubberised pocket liners on each pool table lift the table tops off the top frame of the pool table so not to cause any damage and they also add a bit of grip to the underside on the conversion tops so they don't move.

These conversion tops will also fit on most dining tables – indoor or outdoor – and are available in BLUE for INDOOR USE and GREY for OUTDOOR USE.
