

PING PONG TABLES **INDOOR AND OUTDOOR**

Cornilleau Table Tennis Tables feature a high quality design and construction to provide you with convenience, durability and, most importantly, massive amounts of enjoyment.

All the tables from the Cornilleau range are foldaway / rollaway in design allowing for quick and easy storage and play.

The locking system ensures the highest level of safety on the market thanks to a multi-point system that secures each playfield in playing and storage positions. They also feature a central unlocking handle making opening and closing a one person job. Plus, the net posts and net remain in position, avoiding the need to re-assemble them at each use.

DELIVERY AND ASSEMBLY AND AVAILABILITY

Delivery and assembly across the Algarve is FREE OF CHARGE. In some instances, for those addresses beyond 30 minutes drive of Almancil, we may need to accumulate multiple deliveries to supply delivery at no cost. We stock 30 or so table tennis tables at any one time and can supply all models that are manufactured by Cornilleau – not just the ones listed in this brochure.

ACCESSORIES

Accessories can be bought at an additional cost. The pricing is set out below :

- Sport Table Cover – Blue or Grey – PVC – 60€
- Premium Table Cover – Grey – Polyester - 80€
- Indoor Bat Set – 2 x Indoor Bats and 3 Balls – 30€
- Outdoor Bat Set – 2 x Outdoor Bats and 4 Balls – 40€
- Extra Balls x 6 – 10€

All **indoor bats**, including the ones that we sell, are wooden paddle bats with a rubberised playing surface. **They are good quality bats but are not made for external use.** The glue that holds the rubberised playing surface to the wooden paddle will melt if the bats are left in the sun for any prolonged period. The outdoor bats have no such issue.

WARRANTIES

All Tables are covered with a comprehensive warranty. Indoor Tables come with a **3 Year Warranty**. Outdoor Tables come with a **10 Year Warranty**. Spare Parts for all tables are available for **20 Years** after date of purchase.

All warranties are “on site”. We would come to you to repair any issues. Unlike other suppliers, you would not be required to return the table to us to claim on the warranty and since we carry spares for all the range, you can rely on a quick response.

TABLE SIZING

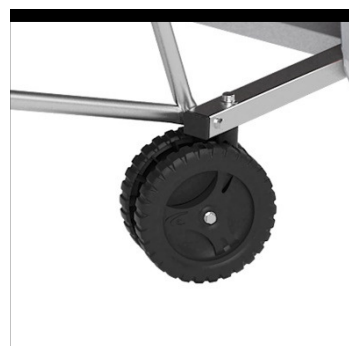

All our table tennis tables are official competition size and are rollaway / foldaway. This means they can be folded away for storage quickly and easily and set up for one person play too. Please see dimensions below”

ASK US A QUESTION

We've been in business in the Algarve for over 40 years and so there's not much that we don't know when it comes to games room equipment. There are no such things as silly questions so if you need help in deciding which table is best for you, give us a shout and we will do our best.....

THE INDOOR SPORT 100 TABLE

PRICE – 495€

For its entry-level table, Cornilleau offers an ideal table for low cost family fun. The Sport One Indoor Table is perfectly suited for playing table tennis at home with friends and family. It's very easy to use, well made and has some great design features too.

Full Specification : Playfield Colour – Blue, Table Top Thickness - 19mm, Playfield Frame Depth - 28mm, Leg Type – Straight, Leg Dimensions – 25mm, Adjustable Leg Pad – 50mm, Adjustable Net – Tension Only, Locking Points - 8 Points, Standard - EN 14468-1, Ball Storage- No, Bat Storage – None, Net – Fixed, Wheel Type - Double Notched Tread Wheels, Wheel Size – 20mm x 150 mm, Brakes – No, Approval - FFTT Leisure Class, Table Weight – 68kg.

THE INDOOR SPORT 250 TABLE

PRICE – 595€

This table offers great value for money for those wanting to get a little more than the entry level table. Additional features include bat and ball storage, multi-way adjustable and retractable net and extra locking points.

Full Specification : Playfield Colour – Blue, Table Top Thickness - 19mm, Playfield Frame Depth - 30mm, Leg Type - Y with 3/4 shape, Leg Dimensions – Fluted, Adjustable Leg Pad - Conical, Adjustable Net - Tension and Height, Locking Points - 16 Points, Standard - EN 14468-1, Ball Storage – Yes, Bat Storage - 2, Net – Retractable, Wheel Type - Special INDOOR Double Wheels, Wheel Size – 30mm x 150mm, Approval - FTTT Leisure Class, Table Weight - 74kg.

TABLE TENNIS CONVERSION TOPS

PRICE – 425€ (INDOOR) / 525€ (OUTDOOR)

We now stock official sized table tennis conversion tops that fit each and every model of pool table that we sell (and many more third party pool tables that we don't sell). This means that you can swap from playing pool to table tennis in less than 3 minutes even if you did not buy your pool table from us.

The rubberised pocket liners on each pool table lift the table tops off the top frame of the pool table so not to cause any damage and they also add a bit of grip to the underside on the conversion tops so they don't move.

These conversion tops will also fit on most dining tables – indoor or outdoor – and are available in BLUE for INDOOR USE and GREY for OUTDOOR USE.

THE OUTDOOR 200X CROSS TABLE

PRICE – 625€

The 200X Cross Table is an excellent value for money mid-range table and is a popular choice for those wanting more features than the entry level table offers. We own 30 of these tables ourselves that we use for our rental business.

The 200X Cross Table has wheel brakes, a folding net, additional bat storage and more locking points than the 100S Crossover Table.

Full Specification : Playfield Colour – Grey or Blue, Playfield Resin Thickness - 5 mm, Playfield Frame Depth - 40 mm, Leg type - Straight Leg dimensions - 35 mm, Adjustable Leg Pad - Ø 120mm, Adjustable Net – Tension Only, Locking Points - 16 Points, European Standards - EN 14468-1, Coating – SOFTMAT, Ball Storage – Yes, Bat Storage – 4, Net – Folding, Wheel Type - Special Outdoor Double Wheels, Wheel Size - 32 x 200mm, Brakes – 2, Approval - FFTT Leisure (High Quality), Table Weight - 64 kg.

THE OUTDOOR 400X CROSS TABLE

PRICE : 795€

The 400X Cross Table is our most popular choice and has lots of great features including leg levellers, wheel brakes, scorers, an adjustable net and bat and ball storage.

Full Specification : Playfield Colour – Grey or Blue, Playfield Resin Thickness - 5 mm, Playfield Frame Depth - 50 mm, Leg Type – Tapered, Leg Dimensions - 100 x 60 mm, Adjustable Leg Pad - Ø 120mm, Adjustable Net –Tension Only, Locking Points - 16 Points, European Standards - EN 14468-1, Coating – SOFTMAT Ball Storage – Yes, Bat Storage – 4, Net- Folding, Wheel Type - Special Outdoor Double Wheels, Wheel Size - 32 x 200mm, Brakes – 2, Approval, FFTT Leisure (High Quality), Table Weight - 62kg.

THE OUTDOOR 600X CROSS TABLE

PRICE : 1125€

The 600X Cross Table is the best of the best with two playfield colour options – Black Or Blue. It is a titan of a table with all the features of the 400X plus under the playfield ball holders, easy lifting handle for rougher terrain and corner protection pads too. It's 60mm frame and 7mm thick playfield provide the best rigidity in the range and optimum bounce too.

Full Specification : Playfield Colour – Black or Blue, Playfield Resin Thickness - 7 mm, Playfield Frame Depth - 60 mm, Leg Type – Tapered, Leg Dimensions - 80 x 60 mm, Adjustable Leg Pad - Ø 120mm, Adjustable Net –Tension and Height, Locking Points - 16 Points, European Standards - EN 14468-1, Coating – SOFTMAT Ball Storage – Table sidepanel and under playfield, Bat Storage – 4, Net- Folding, Lifting Handle – Yes , Corner Protection Pads – Yes, Wheel Type - Special Outdoor Double Wheels, Wheel Size - 32 x 200mm, Brakes – 2, Approval, FTTT Leisure (High Quality), Table Weight - 80kg.

THE OUTDOOR 510M CAMPUS TABLE

PRICE – 1275€

This fixed base, full size, outdoor table tennis table (not on wheels and cannot be folded up) is the “go to” ping-pong table preferred by holiday villas, schools, campsites, and recreation centres.

Available in grey or blue and supplied with a 10 year guarantee (with parts availability for at least 20 years).

It gives outstanding quality of play provided by its 7 mm laminate surfaces and 60 mm frame. It can withstand loads of up to 800 kg, as well as being fire resistant, impact resistant and weatherproof too. There’s corner protectors to prevent small child injuries and an optional ground anchoring kit too. The net is tamper proof and there are ball dispensers (x2) and bat storage (x4).
